We strive to create a positive atmosphere for the desirable process of learning through the following objectives:

- to encourage students to become lifelong learners
- to develop an understanding of American democracy; to instill in each student moral, ethical, and spiritual values.
- to teach responsibilities of group association by respecting the rights, property, and feelings of others, accepting differences in others, and communicating effectively with peers, school staff, parents, and community;
- to provide adequate activities to stimulate physical, mental, emotional, and social growth of the student in a rapidly changing culture;
- to promote studious inquiry which involves critical thinking, problems solving, and communication skills
- to develop curriculum that is based on sound research and learning practices and to provide a sequential course of study through the 12th grade.
- to stimulate and encourage an appreciation for art, music, and literature
- to plan experiences and activities for the development of social and occupational awareness.

Faculty

Parent/faculty conferences are welcomed and encouraged. We encourage parents to first contact their student's teacher(s) first. This is best done through email. Faculty may be contacted via their Canton Academy email address. Messages may also be left for teachers through the Student Services Office. If this does not meet your needs, you can schedule a parent/faculty conference by contacting the Guidance Counselor, Michele Carter, by email at mcarter@cantonacademy.org or by calling the school at 601-859-5231.

ADMISSION/ENROLLMENT

Admissions - Secondary

Canton Academy provides a Christian environment in which each student's skills, talents, interests and abilities are developed. The Mississippi Association of Independent Schools (MAIS) and the Southern Association of Colleges and Schools (SACS) accredit the school. A Directed Study Program is available as a resource for students who have been identified with specific learning differences. It is not a special education program.

Grades 7th – 12th Requirements:

- Take the Entrance Exam
- Submit a completed Application for Admission
- Submit the required registration fee
- Submit the Mississippi State Health Compliance Form (Form 121)
- Submit the student's birth certificate
- Submit a copy of the student's most recent report card
- Submit a copy of the student's most recent standardized test scores
- Submit a copy of the student's transcript
- Recommendation from former principal/head of schools
- Interview with head of schools

The Admissions Committee will meet to review all applicants. The Admissions Director will notify prospective student(s) of the status of their application. Once accepted, new students and families will receive registration fee and tuition schedule information. All tuition contracts and fees must be signed and fees paid before students will be considered fully enrolled in Canton Academy.

Felony Conviction

No student who has been convicted of a felony will be allowed to enroll at Canton Academy. If knowledge of a felony conviction becomes available after enrollment, the student will be subject to immediate expulsion. Any current Canton Academy student who is convicted of a felony will be subject to immediate expulsion.

Married and/or Pregnant Students

A married student, or a student who has been married, an unmarried parent, or an unmarried pregnant female and the male student who is the father of the child, will not be considered for enrollment at Canton Academy. If any student presently enrolled becomes married or pregnant, the married student or the married pregnant female and the male student who is the father of the child will be required to withdraw from school and will not be considered for readmission.

Nondiscriminatory Policy

Canton Academy admits students of any race, color, national or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to the students at the school. It does not discriminate based on race, color, national, or ethnic origin in administration of its education policies, admission policies, scholarship, and loan programs and athletic or other school administered programs.

Transfer Students

Any new/transfer student wishing to enroll in Canton Academy must provide prior grade reports and/or transcripts, and discipline record from current school. All grades submitted will be reviewed and equated to the Canton Academy grading scale policy. Any new/transfer student will be administered and entrance examination. The entrance exam will consist of all questions types and will be administered by the counselor. This examination will provide an overall view of the student. Recommendations for grade level/subject area placement will be determined from the scores of this exam. The admissions committee will make the final decision on admission.

The application of any prospective transfer student who has been subject to disciplinary action for drug or alcohol violations during the current or previous school year shall be considered on a case-by-case basis by the Head of Schools, taking into account the facts and circumstances of each case. Any student whose application is accepted shall be admitted, at a minimum, under the same status as if the transferring student was a student at Canton Academy at the time the violation occurred. No prospective transfer student's application shall be accepted if the drug and/or alcohol violation(s) would have resulted in expulsion from Canton Academy.

Immunization Law

Recent revisions in Mississippi law now provide that "it shall be unlawful for any child to attend school, kindergarten, or similar type facility intended for the instruction of children, either public or private, unless they first have been vaccinated against those diseases specified by the State Health Officer."

The State Board of Health has developed procedures to carry out this immunization law. Therefore, schools are being directed to achieve 100 percent compliance. The law affects children in kindergarten through the twelfth grade. Enforcement of this Law will require removal of children from classes if they are not adequately immunized.

ACADEMIC

Programs of Wise Course Selection

Selection of the proper course of study is one of the most important decisions made during a student's high school career. Careful selection of courses contributes to a successful high school experience and even influences decisions made beyond high school. In choosing a course of study, the student should consider plans after high school, abilities, special interests, and needs. Parents, teachers, and counselors are excellent sources for advice and should be consulted. Each student in grades 7-12 must be enrolled in English, math, science, and social studies unless given special permission due to special circumstances.

Students grades 7th and up must remain on grade level with core subjects. Any core subjects failed must be recovered during summer school to proceed to the next grade level.

Grading Scale

Numerical grade averages will be used for acceptance to honor roll, honor societies, and any program requiring a minimum grade point average at Canton Academy. Canton Academy will use the following grading scale for GPA calculation for college admission, scholarships, and other programs outside of our school requiring the use of a 4.0 GPA.

Graduating with Honors

The two top honors, valedictorian and salutatorian, will be awarded only to students who have been full-time students at Canton Academy during their sophomore, junior, and senior years. To be an honor graduate, a student must have a 4-year average of 90 or above. To be a high honor graduate, a student must have a 4-year average of 95 or above. In the calculation of honor and high honor graduates, scores are exact; they are not rounded up.

Valedictorian or Salutatorian

To be eligible for selection as the Valedictorian or Salutatorian of the graduating senior class, a student must have been enrolled in Canton Academy since the first semester of his or her tenth (10th) grade year. Selection is determined by cumulative numerical Grade Point Average to the fifth decimal point for all Canton Academy Academic credit bearing classes. Preference will be given to the weighted classes. Honor's classes are weighted. Determination will be made after all yearly grades are posted of the student's senior year. The student with the highest GPA will be determined the valedictorian and the student with the second highest GPA will be determined the salutatorian. In the event of a tie, co-valedictorians or co-salutatorians will be determined.

Star Student

The senior with the highest ACT plus a numerical grade point average of 92 or above will be awarded the Star Student Award and will nominate a teacher who made the greatest contribution to their academic success to receive the Star Teacher Award.

Hall of Fame

Students will complete an activity sheet the spring semester of their 9th-12th years. The activities on the sheet each have a point value. Students who accumulate 170 or more points during their 10th, 11th, and 12th grade years at CA will be inducted into the Canton Academy Hall of Fame.

Dropping or Adding Classes

Students may drop or add courses by the end of the first full week of the semester in which the course begins. Students have until the end of the second full week to drop an AP course. Advanced Placement Courses and Mandatory Exam

If a student enrolls in an AP course and does not drop the course during the time allowed to drop/add courses, he/she must pay for and take the AP Exam administered by the College Board in May. The test may be given after our school is out. (The College Board sets the dates.) A student who does not take the exam will not receive credit (1 Carnegie unit) for taking the course regardless of his/her yearly grade.

Dual Credit/Dual Enrollment

High school seniors may participate in Dual Credit/Dual Enrollment through Holmes Community College. They must have at least a 19 on their ACT and a 3.00 GPA average or 18 on their ACT with a 3.5 GPA. Students must meet the Homes Community College requirements and attain permission from the CA Administration. Dual credit classes must be attended the minimum required hours at Canton Academy as outlined by the MAIS.

Final Exam Exemptions

A senior having a 90 or above average in a given class will be exempt from his/her final semester exam in that class. (These students may choose to take the exam) Students in grades 9-11 with a 95 or above will be exempt from his/her final semester subject specific course. Students exempt from final exams will receive an excused absence. Final exams and school work for credit must be completed in order to be promoted.

Christian Community Service Policy

The Canton Academy Christian Community Service Program fosters discipleship and stewardship and is an integral part of the overall curriculum of our school. Participation encourages students to learn new skills, develop a sense of giving, assume responsibilities and enrich their overall learning experiences.

Students in grades 9-12 are encouraged to obtain ten (10) hours of community service each year in order to have forty (40) hours of documented community service by April 1st of their senior year. Documentation is to be turned into Student Services. Forms for documentation can be printed from the school web page or found in Student Services. Students who transfer to Canton Academy will be held responsible for the hours that apply to the years he/she is a student. Community service hours are required for graduates to receive their diploma from Canton Academy.

Definition of Community Service:

- The student performs service without compensation.
- The student performs service that is not mandated by a court.
- The student performs service for a non-profit institution or organization that has been approved through Canton Academy.
- The service results in at least one person other than the student or the student's relative benefiting from the act of service.
- The service is **not** provided during regular school hours, unless it is a community service event that is planned through a grade coordinator or the Christian Service Program.

Procedures for earning Community Service:

- The student will follow the above definition of community service when choosing an opportunity to serve. Should there be a question of whether or not it is an approved community service, prior approval should be obtained from the Christian Community Service Coordinator.
- The student will complete the Community Service form and have both the organization and his or her parent sign the form.
- The student will turn the Community Service form into Student Services within two (2) weeks of the service being provided.
- Student Services will post service hours quarterly so that students will know how many hours they have obtained.

Directed Study Program

The Directed Study Program provides homework assistance, class test administration with accommodations and supplemental classroom instruction and reinforcement to students who have a current medical/psychoeducational evaluation results indicating the need and Canton Academy determines Directed Study support is necessary.

Accommodation: Support or service that is provided to help a student fully access the general education curriculum and does not change the content of what is being taught.

Service Plan: A service plan is a formal plan designed for any student with a disability based on medical/psychoeducational evaluation report with current data (not over three years) who is admitted into the Directed Study Program. The service plan is kept in student's confidential file in the Directed Study room.

Standards and grading/assessments remain the same for all students.

ACT

The ACT is required of all students planning to attend a state supported institution of higher learning in the state of Mississippi. Several private institutions and many out-of-state schools require the SAT.

Canton Academy requires all Juniors and Seniors to take the fall school administered ACT test and encourages all 10th-12th to take the Spring administered ACT test. There is a cost charged for each test taken.

Online Courses

Two units of online work not in the same subject area may be accepted in grades 9-12 toward graduation. All online work that is being applied toward graduation requirements must have prior written approval of the Head of Schools. A student may not take a previously passed class in order to improve their grade.

A student must stay current with core credits. A student may not take core classes as a new subject by online or by attending summer school. If a student fails a core subject class, he/she must recover the class during summer school. Directed studies students may take a History core subject only, as a new credit.

Progress Reports

Progress reports can be found on your MYCA page.

Report Cards

An official report card will be issued to each student by the school at the end of each nine weeks.

Tests

Tests are to be made up on designated days assigned by the teacher. If a student is present in class the day a test is assigned, the student should under normal circumstances take the test the day he/she returns to school. For an extended absence between the day the test was assigned and the student's return to school, the teacher will use discretion in administering the test.

Scheduling missed tests is the responsibility of the student. If a student has a pre-planned dismissal the day of a test, he/she should make every effort with the teacher to take the test **prior** to leaving school that day (before school, during study hall, etc.) If the test is not taken on the day of the dismissal, it will be administered at the first available time the day the student returns. If a student checks in during the day after a period in which he/she had a test, the student is expected to take the test prior to leaving school that day (during study hall or after school).

Tests may not exceed more than 2 for students in grades 7-12.

Assignments Online

CA recommends parents utilize the MYCA online system to see their student's assignments. All of their children's assignments, homework, attendance, discipline and grade are in one location. CA recommends parents utilize the MYCA system for progress in each class, for overall conduct in school, and to obtain assignments if their student is out of school.

If assignments have not been posted to the web, parents may request assignments from the teacher(s) via email.

Homework/Make-up Work

Homework is vital to the education of each student. Students are required to complete assignments punctually. Collection, grading, and consequences of not having homework will be left to the discretion of the teacher.

Parents should not call teachers for assignments or bring work to school that students left at home. This takes the responsibility away from the child and defeats one of the main purposes of homework.

Students absent from school for extracurricular activities are responsible for getting any homework assignments missed and for being prepared for class upon returning to school.

A student who is dismissed for part of a day must get all of his/her assignments for the following day before leaving school. Homework will be due the next day. Do not interrupt a class in session to get an assignment.

A student absent from school due to illness has the number of days absent in which to make up any class work missed during his absence. A student that misses only one day due to illness will be expected to have all assignments and take scheduled tests. The class' teacher may only make an exception to this policy.

Assignments/test missed due to an unexcused absence may not be allowed to turn in late homework or complete make-up work.

Textbooks

Students will be furnished books for some classes. If a book is lost or severely damaged during the school year, the student must pay full purchase price for a replacement. Students should keep covers on their books, use them with care, and store them in assigned lockers. Students may be required to purchase individual workbooks or novels during the school year.

Copies

Students are encouraged to hand copy any notes missed in class due to an absence. In case of a lengthy absence, the teacher may authorize the student to photocopy notes from another student. The student must have written permission by the teacher. The office staff does not make copies for students without permission.

Summer School

- A student may earn a maximum of 4 recovered units of credit in summer terms toward meeting graduation requirements during his/her high school career.

ATHLETIC/EXTRACURRICULAR ACTIVITIES

Academic Eligibility Rule

Participation in athletics or extracurricular activities at Canton Academy is a privilege. Going out for a team gives one the right to practice and learn the basics of the game. Being on a team does not guarantee playing time. Playing time is strictly at the coach's discretion. The administration and coaches reserve the right to suspend a player from a team for academic or disciplinary reasons.

Students participating in extracurricular activities at Canton Academy are expected to maintain good grades. Grades will be checked at mid-nine weeks and at the end of each 9-week grading period. Students who have two failing grades in academic classes will be placed on academic probation. Students will be eligible to practice and participate in extracurricular events during any probationary period. If a student still has two failing grades in academic classes for two consecutive grading checks a student will be considered ineligible. The student will be allowed to practice but will not be allowed to dress out. A student will regain eligibility with less than two failing grades after the next grade check for which they were ineligible. If a student fails two academic courses at the end of the first semester, the student will be ineligible for the third nine weeks. A student may regain eligibility with less than two failing grades at the end of the third nine weeks.

A student must pass 4 major academic courses for the year to be eligible for the following year.

ATTENDANCE

Absences

Not attending a class for at least 40% of the class time constitutes an absence. If, however, a student is absent because he/she is attending a school-related event, funeral, court summons, or is being detained by a teacher, the absence is excused. A student will also be given an excused absence when a doctor's certificate of care has been given to Student Services. Students may be given an excused absence for illness up to but not to exceed three (3) days per semester when a note (electronic or written) signed by a parent is turned into Student Services. All absences will count towards the policy of no more than twenty (20) days for full credit classes or 10 days for half credit courses missed to receive class credit.

Students may not be able to make-up assignments/test missed for unexcused absences. Administration reserves the right to determine excused or unexcused absences.

All pre-planned absences must be approved by administration.

In order for a student to receive credit for a class, he/she may not miss more than 20 days (10 days in a half credit course). Having missed more than 20 days because of a lengthy illness, the student's parents should appeal in writing to the Head of Schools for consideration of reinstatement. Upon approval, the Head of Schools will recommend reinstatement to the Board of Trustees.

Attendance in school for 4 hours is required on the day of a school-sponsored event for a student to participate in that event(s). Attendance in school for 4 hours on the last school day of the week is required for a student to participate in school-sponsored events occurring over the weekend, unless a school sponsored event requires the student to be absent on the last school day of the week. A student who habitually is unable to attend school or who is tardy to school the day following an extracurricular event, maybe dropped from participating in such activities.

Tardiness includes tardiness to school and tardiness to individual period classes. A student will be recorded absent for a class if the student misses more than 20 minutes of a class and may not be allowed to enter a class already in progress.

- When the 7:55 bell rings students are to be in their homeroom.
- Students arriving after Homeroom(8:00) must come to Student Services and sign in. - If the parent is still not satisfied, they may contact the Head of Schools to be put their grievance on the agenda for the next board meeting. At this time the parent may present their discontent to the entire Board of Directors.

Reporting Procedures

Complaints alleging violations of this Policy shall be reported to the Head of Schools or his/her designee. All school employees are required to report alleged violations of this Policy to the Head of Schools or his/her designee. All other members of the school community, including students, parent(s) or legal guardian(s), volunteers and visitors are encouraged to report any act that may be a violation of this Policy. Reports should be submitted on an Incident Report Form to the Head of Schools or his/her designee. The Incident Report Form is available from the Head of Schools or available at the school office. However, incidents may be addressed even if a written report is not prepared. Oral reports will also be considered official reports but should be followed in writing using the appropriate form filled out by the individual receiving the oral report. Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

GENERAL

Students should report to the auditorium before the first bell. No loitering will be permitted in the parking lot or in the halls after arriving at school. Students are given time to go to their lockers before school, during break, and between classes. Students are to place backpacks in lockers or above lockers. No food or drinks other than water in clear containers are permitted in the auditorium.

All students must go directly to the cafeteria during break and lunch, with the exception of going to the bathroom. (High School students are not permitted to use the elementary bathrooms.) Visitors

Visitors to Canton Academy are always welcome but should check in at Student Services upon arrival.

Lost and Found

Students should report lost articles to Student Services in order that they may have all possible assistance in locating them. All articles found should be taken to Student Services where they will be kept until claimed by the owner. Articles not claimed will be discarded at the beginning of the next school year.

Flower Deliveries

Sending flowers, balloons, etc. to school is discouraged. Those that are delivered will be made available to the student at the end of the school day.

Driver’s License Form

To obtain a driver’s permit, license, or to renew a license, the student must have a certificate of attendance from the office. He/she may request the form in advance. This form expires after 30 days.

Emergency Drills

The Board of Trustees requires emergency drills at least once each semester. Emergency procedures for leaving the classroom or building are posted in each room. Pupils should move quickly, quietly, and in an orderly manner to provide for the safety of the entire group.

Food, Drinks, and Behavior in the Cafeteria

As good stewards, students should assist in keeping the cafeteria clean and taking care of school property. Students are to sit on the table stools provided and not on the tabletops. All trash should be thrown in the trash bins.

- **Lunch and Break:** Lunch and break will be offered in the cafeteria on a daily basis. Students may bring a sack lunch or snack from home provided it is eaten only in the cafeteria.
- **Food and Drinks:** Food and drinks, other than water in clear containers, are to be consumed in the cafeteria only. Any food items or opened drinks outside of the cafeteria during school hours will be confiscated.
- **Gum and Candy:** Gum chewing is not allowed at school. Candy may be consumed in the cafeteria only.

Health and Safety

Communicable Diseases: Immediate supervisors should report to the Health Department any cases of communicable diseases, which might pose a threat to the health of the students, school personnel, or the community. When concerned with unique, individual cases, the welfare of all students, employees, and the community should be the prime consideration and individual cases should be resolved through consultation with the Mississippi Department of Health.

Concerning Employees: In considering deadly, life-threatening, communicable diseases, the immediate supervisors, upon probable cause for suspicion, should have a conference with the employee. Steps will subsequently be taken to assure the safety of all, and recommendations of medical personnel will be sought.

Concerning Students: When a student exhibits symptoms, or the Head of Schools has probable cause for suspicion that the student has a deadly, life-threatening, communicable disease, a conference will be held with the parents of the student. If there are further questions, the parents will be asked to have the student tested and to present the test results to school officials. Whether the child remains in school while tests are being given is to be determined by the severity of the symptoms and any other evidence. If the student's test results are positive, medical and legal professionals will aid the final decision of the school.

The policy of the school relating to the education of students known to have chronic infectious diseases (persistent illness in the carrier state as compared to an acute short-term, self-limiting illness) such as but not limited to, hepatitis B, herpes simplex, AIDS/ARC or cytomegalovirus is as follows:

- A student with a chronic, infectious disease shall be removed from the classroom temporarily and until the school's medical advisor, in consultation with the student's physician, determines whether the student's presence in the school poses a risk of transmission of such chronic infectious disease to others.

- Should it be determined by the school's medical advisor that attendance poses no threat, the student shall be allowed to resume attendance at school subject to whatever restrictions or limitations, if any, that the school's medical advisor recommends. The student's school attendance shall be reviewed by the school's medical advisor in consultation with the student's physician at least once a month to determine if continued school attendance poses any risk of transmission of said disease to others.

Should it be determined by the school's medical advisor that attendance at school does pose a risk of transmission of said disease to others, an appropriate alternative educational program shall be established for that student and shall continue until the school's medical advisor determines that the risk of transmission to others has been abated and normal school attendance can resume.

First Aid

First aid supplies will be available in the front office for minor injuries. In cases of serious injury, parents will be called immediately. Occasionally accidents may occur in which immediate hospitalization is necessary. In this case, the student will be sent to the hospital, but the school does not assume any responsibility for expenses incurred for hospitalization. Hospital authorities are immediately informed that the school is in no way responsible and that they must look to parents of the patient for their fee.

Medication

Students should not bring medication of any kind to school (including but not limited to Tylenol, Advil, etc.). A medication release form should be completed on each child, and, if medication of this kind is needed, administration in the office will provide it upon first contacting the parent. Other types of medication, such as cold medicine, antibiotics, etc., should be brought to the front office before school in the morning for dispensing throughout the day. The medication should be labeled with the student's name, name of the medication and time that the medication should be given. No medication will be dispensed without a signed medication release form—see form at the back of the handbook. If the student has severe allergies, the parent should send a note that includes instructions and/or medications needed in case of an allergic reaction.

Restricted Areas on Campus

- **Parking Lots:** Upon arrival at school, students are not to sit in or on cars. Students are not to go to the student parking lot at any time during the school day, including lunch and break, without appropriate permission from the administration. At the end of school, students are not to loiter in the parking lot but are to get in their cars and leave campus immediately.
- **Hall Areas during Lunch/Break/Assemblies/Pep Rallies:** Students are not to wander in the halls of the building. Disregard of restricted areas will result in appropriate disciplinary action from the administration.
- **Elementary Building:** The elementary building and classrooms are restricted for secondary students (7-12) unless they are attending an assigned class or sent by administration. Students may enter the elementary building from the back door going to the cafeteria for break and lunch. Only on rainy days may secondary students (7-12) enter the elementary building from the front door going to the cafeteria for break and lunch. Secondary students are to enter the elementary building quietly so as not to disrupt elementary classes in session. K3-G12 Uniform Requirements/Dress Code

CA approved uniforms must be purchased online through Land's End at www.landsend.com, the Lands' End Uniform Store in Ridgeland or through the school store located in the high school building. The uniform

policy enhances the learning atmosphere, increases a sense of pride and community, and reduces competition among students. All students are expected to be in full school uniform each day. If the student is not able to correct the uniform violation, they will not be allowed to attend class until they are in uniform.

Students who do not have on the correct colors, clothing types, and/or are wearing inappropriate clothing will be asked to call a parent to bring them proper clothing or wear an alternative given by the administration. When a student is not compliant with school rules they will first receive a warning (unless clothing is deemed inappropriate as required by the school administration). The second non-compliant clothing infraction will result in a work detail and any others will result in a detention.

All Friday's at CA will be "Spirit Dress Days." Students in grades K3-12 may wear jeans (**no holes**) and a CA t-shirt and or uniform bottoms.

(7-12) Clean Shave Policy

Boys should have a clean shaved face for school days and events. The administration will inform students if there is a special time frame they would not be required to be clean shaved. An unshaved face will result in being sent to the office, shave and receive a tardy for class due to the time missed.

Vehicles

All students must have on file in the office the completed form found in parent forms on MYCA giving the name of the student, the make, year, color and tag number of the vehicle the student drives. To help with campus security students will be issued a school decal to be placed on the left lower corner of the front windshield. If a car change is made a student is responsible to inform Student Services.

Because of the number of vehicles entering and leaving the campus each day, it is necessary that all students observe traffic rules. Any student observed violating any of these rules on campus or entering or leaving the main streets to the school will lose the privilege of bringing a vehicle of any kind on the campus.

TECHNOLOGY

Computer and Internet Policies

Use of the Internet provides great educational benefits to students. Unfortunately, however, some material accessible via the Internet may contain items that are illegal, defamatory, or potentially offensive to some people. Access to the Internet is given as a privilege to students who agree to act in a considerate and responsible manner. We require that students and parents or guardians read, accept, and sign the following rules for acceptable on-line behavior.

1. Only school related projects might be done on CA's computers.
2. Students are responsible for good behavior on the Internet just as they are in school. General school rules for behavior and communications apply.
3. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly.
4. The following are not permitted:
 - Sending or displaying offensive messages or pictures
 - Using obscene language
 - Harassing, insulting, or attacking others
 - Damaging computers, computer systems, or computer networks
 - Violating copyright laws
 - Using another's password

Immunization Law

Recent revisions in Mississippi law now provide that "it shall be unlawful for any child to attend school, kindergarten, or similar type facility intended for the instruction of children, either public or private, unless they first have been vaccinated against those diseases specified by the State Health Officer."

The State Board of Health has developed procedures to carry out this immunization law. Therefore, schools are being directed to achieve 100 percent compliance. The law affects children in kindergarten through the twelfth grade. Enforcement of this Law will require removal of children from classes if they are not adequately immunized.

The Admissions Committee will meet to review all applicants. The Admissions Director will notify prospective student(s) of the status of their application. Once accepted, new students and families will receive registration fee and tuition schedule information. All tuition contracts and fees must be signed and fees paid before students will be considered fully enrolled in Canton Academy.

Elementary Office

601-859-5233 will allow you to contact the Elementary Office. We care about your child's academic success and the care of their personal needs. If we are unable to answer your call immediately, please leave a message or call again soon so we can assist you.

Attendance

Our school day is 8:00am-3:00pm. Regular and punctual attendance is a necessary element in the student's success in school. Frequent absences affect scholarship, interest in school activities, and eventually the entire attitude toward school. It is, therefore, important that pupils be in school on time every day. Only in unavoidable cases should a pupil be taken out of school before the close of the day.

Absences

For a student to receive credit for a grade completed, he/she may not miss more than 20 days during the year. If more than 20 days are missed because of a lengthy illness, the student and parents may go before the Board of Directors for consideration of reinstatement.

Attendance in school all day is required for a student to participate in any school-sponsored event. Attendance on the last school day of the week is required for a student to participate in school-sponsored events occurring over the weekend. A ruling of attendance may be allowed at the discretion of the Elementary Principal.

Any absences other than illness or death in the family should be arranged and approved in advance by the Elementary Principal. Any work missed because of a pre-planned absence will be made up before the student returns. It is the student's responsibility to find out what work will be missed and to complete it in the allotted time in order to get proper credit for it.

Make-up work for absences due to illness or death in the family will be addressed under the heading MAKE-UP WORK.

Dismissals

Any student who needs to be dismissed during the day must bring a note from home to the teacher. The student must get all assignments for the rest of the day before leaving. Whoever picks the student up must come to the office to sign the student out. The student also must sign out with his/her teacher before leaving.

Tardiness

Promptness to school is very important. The final bell rings at 8:00 a.m. and all students should be in their classrooms at this time. Students who arrive after this bell should report to the office with their parent in order to receive a tardy slip. Teachers will record tardies on a daily basis. A student will be given a mark of absence upon every 4 tardies. After 12 tardies a meeting with the Administration will be held. In order for a student to receive credit for a grade, he/she may not miss more than 20 days during the year.

After School Hours

The Canton Academy campus will be off limits after 3:00 p.m. unless students are participating in a supervised school activity. Canton police and/or school personnel will patrol the grounds during school functions. If a school activity doesn't start until later in the afternoon, students may not wait on campus unattended. After school care is available for all elementary students who need this service.

Lunch

Lunch will be offered on a daily basis. Students may also bring lunch from home. The daily cost of a lunch is \$5.00 (can be subject to change). Parents can prepay to their student's MYCA account page for their student's lunches.

Report Cards

At the end of each 9-weeks period, a report card will be sent home to the parents. The report card should be signed and sent back to school the following day.

Grading System

The grading system is as follows:

A	90-100
B	80-89
C.....	70-79
F	below 70

Classes such as Music, PE, and Library are graded with S (Satisfactory), U (Unsatisfactory), and N (Needs Improvement). The pupils receive grades in these areas based on cooperation, enthusiasm, conduct, participation, and effort.

To stimulate a desire for scholarship and citizenship, the following recognition will be given:

- Head of Schools' List—students with 95 and above and Ss in every class on the report card.
- Principal's List—students with 85-94 and Ss in every class on the report card.
- Citizenship Awards—students receiving all As in conduct and Ss in classes such as Music, PE, and Library for the entire year.

Promotion

In order for a student to be promoted to the next grade level major subjects (core subject areas) must be passed. A student can be promoted if one major subject was failed. The student will be recommended for tutoring or summer school in that subject area for remedial purposes. Major subject areas include – English, math, science and history.

Homework

Homework plays an important part in teaching a child self-discipline. For this reason, we begin giving homework in the first grade and increase the amount each year. By the time the student is in fifth or sixth grade, homework will be assigned in three or more subjects each night.

Parents should not call teachers for assignments or bring work to school that students left at home. This takes the responsibility away from the child and defeats one of the main purposes of homework.

Each child should have an assignment book and keep homework assignments organized daily. This should help the student keep up with what is to be done.

Collecting and grading homework, and consequences for not having homework, will be left to the teacher's discretion.

Signed Papers

One of the best ways for parents to know what is going on at school is through the child's schoolwork. This also lets parents know where the child needs extra help.

Important papers will be sent home each Tuesday. We ask that parents look at these papers with their child and review any areas in which the child had difficulty. This will help reinforce what the teacher is doing at school.

After going over the papers, parents should sign them to indicate that they have seen them. This signature in no way indicates approval of the papers. If the parent wishes to keep the papers an extra night to spend

more time on them, he/she should send a note to that effect to the child's teacher. Consequences for not returning signed papers will be left to the discretion of the teacher.

Make-up Work

Except in cases of extended illness, any schoolwork should be made up within 3 days after the absence. The Elementary Principal should deal with extenuating circumstances. It is the student's responsibility to find out what work is missed and to complete it in the allotted time in order to get proper credit for it.

Homework assignments may be picked up in the office after school, but they must be requested before 9:00 a.m. Tests that were assigned before the student's absence should be made up the day he/she returns. Other tests missed should be made up within 3 days. Extenuating circumstances will be dealt with at the teacher's discretion.

Make-up work for absences due to causes other than illness or death in the family will be due the day the student returns to school. The Elementary Principal should approve these absences in advance and all assignments made up before or while the student is absent.

Accelerated Reader Program

The Accelerated Reader (AR) program at Canton Academy Elementary is designed to help all students in grades 1-6 strengthen their reading speed and comprehension. All of the students will initially take a STAR reading test that is used to determine the reading level of each student. Students choose their own books that fall within their determined level and read them at their own pace. After reading an AR book, the student takes a computerized quiz at school, either in the classroom or the computer lab. Quizzes consist of multiple choice comprehension questions from the book. The computer immediately scores the test, shows the number of correctly answered questions, and updates the child's record. Points are then awarded based on how well the student did. As the student earns points, he/she moves closer to reaching the AR goal that was set by each classroom teacher.

Library

The elementary school library is an integral part of the educational program of our school. Students are encouraged to make effective use of the books and materials for both course requirements and recreational reading. As a part of the regular curriculum, each class has the opportunity to visit the library at least once each week.

Gifts

The elementary library also receives books through gifts, honorariums and memorials. These books can be bought personally or chosen from those already on hand for \$10.00. If a desired title is not available, it can be ordered. Gift cards are placed in the front of these books.

Book Fair

Each semester the elementary library hosts a book fair. Scholastic/Great American Book Fairs sends cases of books, posters, and supplies for students, teachers, and parents to buy. The library receives a percentage of the sales from the fair. The children come to the book fair during their library times. Parents are encouraged to come to the library either with their child or come any time during the book fair week.
Birthday Book Club

The Canton Academy Birthday Book Club is open to all students in K3 through 6th grade. To become a member, a book for the library can be purchased for the school. There are always books on hand in the library, but if a specific title is not available, it can be ordered.

A gift card printed with the child's name, birthday, and the year given will be placed in the front of the book. The child's name will also be printed on a candle on a large birthday cake to be displayed in the library. At the end of the year, a birthday party for all the members of the birthday club will be given and a group picture will be taken.

Activity Passes

Students are admitted free to all home games except tournament games. Adult activity passes may be purchased in the high school office. The season activity passes are \$150.00 and include home varsity and junior high football games, basketball games, baseball games, soccer and softball games. These passes allow admission to all home pee wee, junior high and varsity football games with limited exceptions.

Assemblies and Pep Rallies

Canton Academy Elementary Students will be allowed to attend pep rallies and assemblies under the supervision of their classroom teachers.

Rules of Common Courtesy Should Be Exhibited

- Enter the assembly program in an appropriate manner.
- Do not take food or drink into any assembly or pep rally.
- Give the speaker or program your undivided attention.
- Leave the area in an appropriate and expedient manner at the conclusion of the program or rally.
- Teachers will be in various areas to supervise. Report any problem to a teacher immediately.

Conduct and Discipline

The administration of Canton Academy operates on the theory that the students have had sufficient training in the home, church, and school to conduct themselves in accordance with accepted standards of behavior. Teachers are encouraged to handle disciplinary problems when at all possible. The teacher will contact parents if their child is developing a habit of misbehavior. Working together usually brings about desired results.

However, if a child continues to misbehave and the teacher has tried all he/she knows to do, the teacher will refer the child to the Elementary Principal. When a problem becomes serious enough to warrant the Principal's attention, various routes of correcting the problem will be explored.

- The student may be talked to by the teacher and/or principal to try to solve the problem. Parents will be notified.
- Corporal punishment may be administered and the parents may be called in for a conference to discuss the problem.
- The student may be suspended from school.
- The student may be expelled from Canton Academy.

The above list represents examples of disciplinary actions and not the only disciplinary actions. The administration has the final authority to render a disciplinary decision on each individual matter. Some actions may cause immediate expulsion without going through levels 1, 2, 3, or 4, while other disciplinary actions may not qualify for severe actions.

Conferences

We encourage a close relationship between parents and teacher. By working together, we hope that the child will have a successful year. Most teachers prefer to have conferences with parents at school rather than talking over the phone at home. Parents should feel free to call the office (601-859-5233) to make appointments with their child's teacher anytime they feel the need to do so.

Corporal Punishment

Corporal punishment is a viable disciplinary option used at Canton Academy. Corporate punishment will be used upon consent by the parent and will be administered only by the Head of Schools or Elementary Principal or designee with a witness present. An alternative to corporal punishment may be suspension.

Detention Policy

Detention will be held in the library on Wednesdays and Thursdays at 7:15 am until 7:55 am and again those same afternoons at 3:15 pm until 3:55 pm in the high school library.

- Students must be on time. They will not be permitted to enter detention if they are late.
- Students will not be permitted to do homework or talk with other students. They must sit facing the wall for the entire 45 minutes. They should use the restroom before they get to detention.
- If a teacher assigns detention to a student they should write up the violation on the attached form and make sure the form is delivered to student services at the end of the day.
- Teachers are also responsible for sending an email (email addresses are in the STI program) to the parent making them aware their son or daughter has been given detention. Also, indicate the week in which the student is to be responsible for making detention. They have 4 different options on times to show up.
- Failure to show up for detention for the week assigned will result in a parent/administrator conference. Failure to show up for detention after that will result in a 1 day suspension.

Violations that should result in assigning a detention:

- Disrespect to a teacher or staff member (if severe enough the Headmaster could choose to suspend the student)
- Excessive warnings to same student related to minor uniform violations is shirt tails out, wearing hats inside, etc.
- Major uniform violations such as no collared shirts for boys, unapproved sweat tops, etc.
- Failure to sign out for dismissal
- Failure to comply with warning on hair length and facial hair
- Repeated warnings on leaving backpacks/bags on the floor in the hallway
- Bullying another student (if severe enough the Headmaster could choose to suspend the student)

Minor offenses teachers will handle themselves in the classroom.

- Gum and candy offences
- Talking
- Not paying attention
- Having cell phones out (could be sent to detention if already warned)

Cheating

Instruction in self-discipline in the elementary school includes the teaching of responsibility for one's own work. In the primary grades, when a teacher observes a student cheating, corrective measures will be taken.

Cheating in the lower elementary (first through third grades) will be handled at the teacher's discretion under the supervision of the Elementary Principal.

In fourth through sixth grades, the first time a student is caught cheating, he/she will be given a zero for the work and his/her parents will be notified. The second time a student is caught cheating, he/she will be given a zero for the work, his/her parents will be notified and he/she will be suspended for one day. For the third offense, the student will be suspended for three days.

Electronic Devices

Electronic Devices, cell phones, electronic games, iPods, tablets, etc. are not to be used at Canton Academy during school hours unless approved by the faculty or administration for classroom purposes. Cell phones are to be placed in a box in the teachers' room upon entering class.

A student who is discovered using a cell phone or other device for purposes of cheating will be dealt with the same as if the cheating occurred in a conventional manner. Transmitting inappropriate messages or pictures via an electronic device will result in suspension and or expulsion.

Canton Academy will not be responsible for any lost or stolen electronic devices.

Fighting

Any student at Canton Academy discovered fighting on the school grounds or at any time during a school-related function might be subject to an out-of-school 3-day suspension. This will apply to student regardless of who starts the fight. Students are encouraged to inform a faculty member or the administration when someone is hitting, picking on, or trying to start a fight with them. Suspension may also be in order for any student who instigates a fight by picking on another student, calling names, cheering on an incident, or any other behavior that may be interpreted as encouraging a fight. Following suspension, the second offense of fighting on campus will result in permanent expulsion from Canton Academy.

Gum, Food, and Drinks

Gum chewing is not allowed at Canton Academy. Food and drinks are allowed in the cafeteria or in the rooms under the supervision of the classroom teacher.

Grievance Procedure

If a parent feels that a member of the Canton Academy Staff has wronged his/her child:

- The parent should meet with the person involved and discuss the situation. The parent should call the school and request that the secretary schedule a parent/teacher conference. If the problem is not resolved to the parent's satisfaction, the parent may contact the Elementary Principal for a conference. Written correspondence from the Elementary Principal to the parent should follow up this conference

- If the problem is not resolved to the parent's satisfaction, the parent may contact the Head of Schools for a conference. Written correspondence from the Head of Schools to the parent should follow up this conference.
- If the parent is still not satisfied, they may contact the Head of Schools to request that their grievance be put on the agenda for the next board meeting. At this time the parent may present their discontent to the entire Board of Directors.

Health and Safety

Canton Academy Statement on Communicable Diseases

Immediate supervisors should report to the Health Department any cases of communicable diseases that might pose a threat to the health of the students, school personnel, or the community. When concerned with unique, individual cases, the welfare of all students, employees, and the community should be the prime consideration and individual cases should be resolved through consultation with the Mississippi Department of Health.

Concerning Employees: In considering deadly, life-threatening, communicable diseases, the immediate supervisors, upon probable cause for suspicion, should have a conference with the employee. Steps will subsequently be taken to assure the safety of all, and recommendations of medical personnel will be sought.

Concerning Students: When a student exhibits symptoms, or the Head of Schools has probable cause for suspicion that the student has a deadly, life-threatening, communicable disease, a conference will be held with the parents of the student. If there are further questions, the parents will be asked to have the student tested and to present the test results to school officials. Whether the child remains in school while tests are being given is to be determined by the severity of the symptoms and any other evidence. If the student's test results are positive, medical and legal professionals will aid the final decision of the school.

The policy of the school relating to the education of students known to have chronic infectious diseases (persistent illness in the carrier state as compared to an acute short-term, self-limiting illness) such as but not limited to, hepatitis B, herpes simplex, AIDS/ARC or cytomegalovirus is as follows:

- A student with a chronic, infectious disease shall be removed from the classroom temporarily and until the school's medical advisor, in consultation with the student's physician, determines whether the student's presence in the school poses a risk of transmission of such chronic infectious disease to others.
- Should it be determined by the school's medical advisor that attendance poses no threat, the student shall be allowed to resume attendance at school subject to whatever restrictions or limitations, if any, that the school's medical advisor recommends. The student's school attendance shall be reviewed by the school's medical advisor in consultation with the student's physician at least once a month to determine if continued school attendance poses any risk of transmission of said disease to others.
- Should it be determined by the school's medical advisor that attendance at school does pose a risk of transmission of said disease to others, an appropriate alternative educational program shall be established for that student and shall continue until the school's medical advisor determines that the risk of transmission to others has been abated and normal school attendance can resume.

Medication

No medicine, including Tylenol or Advil, will be dispensed from the office without parental consent—see form on page 48 of the handbook. If a child needs to take medication during the day, the medication should be properly labeled with the child's name, name of the medication and times that the medication should be administered. Medication issued by a doctor's prescription must be in the original bottle with the original dispensation label attached. The medication should be given to the teacher at the beginning of the day and he/she will send it to the office where it will be kept. If a child has any severe allergies, the parent should send a note that includes instructions and/or medications needed in case of an allergic reaction.

First Aid

First aid supplies, such as bandages, alcohol, peroxide, and Caladryl are available in the office. In case of serious injury, parents are called immediately. Occasionally accidents may occur in which immediate hospitalization is necessary. In this case, pupils are sent to the hospital, but the school does not assume any responsibility for expenses incurred for hospitalization. Hospital authorities are immediately informed that the school is in no way responsible and that they must look to the parents of the patient for their fee.

Hallways

Hallways are to be kept clean. Backpacks and other personal items are to be kept in the lockers or on above lockers at all times.

Parties and Invitations

There will be at least two parties in the classrooms during the year. One will be at Christmas and the other on Valentine's Day. Room mothers will be in charge of these parties but will contact the teachers in advance about details.

At Christmas, names will be drawn in class to assure every child a gift. The price of the gift should not exceed \$10.00. No other gifts should be exchanged between students at school.

Please do not send party invitations to school to be passed out unless all children in your child's class (or all boys for a BOY party/all girls for a GIRL party) receive an invitation.

Telephone Usage

Students are not permitted to use the phone unless it is an emergency. In the event that a student must phone a parent, the office telephone must be used. NO cell phones will be used between the hours of 8:00 a.m. and 3:00 p.m. Any social activity must be arranged before coming to school.

Textbooks

Textbooks are provided on a loan basis with a fee charged. They will be returned at the end of the year. A fine will be assessed for any abuse and charged to the student at the end of the year. All lost books must be replaced.

Traffic

Traffic in front of the elementary building is ONE WAY moving from west to east. Cars are to use only the two lanes next to the building. Please be mindful that students may be exiting from both sides of the car. PARKING IS PERMITTED IN DESIGNATED PARKING SPACES ONLY, NOT IN THE TRAFFIC LANES NEXT TO THE SCHOOL BUILDINGS.

Unloading

For safety reasons, unloading must be done in an orderly manner. Cars should slowly move forward, one behind the other, in the lane next to the elementary walkway for unloading.

PLEASE DO NOT LEAVE A LOT OF SPACE BETWEEN THE CARS. This prevents other cars from moving up near the building. Students should have all bags ready to unload quickly. If extra time needs to be taken, the parent should park and walk the child over to the building. Consideration must be given for the other parents in the carpool line.

Loading

When the 2:53 bell rings, all students will go directly to the lobby. Two teachers will be on duty and will load students into their cars. The two lanes next to the elementary walkway may be used. When the cars are loaded, the duty teacher will signal when the cars may move. CARS ARE NOT TO MOVE UNTIL THAT TIME. This has proven to be the safest and quickest method of loading after school, but it will work ONLY if everyone cooperates and follows these rules.

Elementary students who ride with high school students will be dismissed at 3:00 and should go directly to the front of the high school to meet their rides. Elementary students should not go to the back of the high school building and should not play in front of the school or go inside the high school building. Rather, they should walk to the high school using the walkway from the elementary to the high school building and sit on the steps at the front of the high school building. Children of high school teachers may go to their parent's classroom only after the dismissal bell rings in the high school building.
