For students entering
2nd Grade

Dear Students,

Summer fun includes summer reading. Here is a list of a few books you might enjoy.

A great idea is to find books that tie into your summer plans. Planning a trip to the beach—look for books about the seashore. AND be sure to visit your local library during the summer for tons of other super books! Books on the list marked with * are just a few of MY FAVORITES!

Reading Challenge:

I challenge you to read as many books as you can all summer long, but **you must read 2** from the list. Use the reading log booklet to record the books you read over the summer, and bring back the sheet on the first day of 2nd Grade. Students will take AR tests on these books at school. They will have the option of testing on one or all of their AR tests in the summer on Thursday, June 24 from 9:00-12:00 in the CA Lower School AR lab. Otherwise, students will test on their books when we return to school in August.

Happy Reading!
