

3rd Grade Summer Reading List

Incoming 3rd Graders

Read at least two books from this list. AR tests will be taken at school, and the highest score will be recorded as a test grade. They will have the option of testing on one or all of their AR tests in the summer on Thursday, June 24 from 9:00-12:00 in the CA Lower School AR lab. Otherwise, students will test on their books when we return to school in August.
