

Incoming 5th Grade Summer Reading

Choose at least two books from the list below to read this summer. Be prepared to take an AR test on them during the first two days you are back at school in the fall. You also have the option of testing on one or both in the summer on Thursday, June 24, from 9:00–12:00. This is highly recommended. During the first week of school you will complete an in-class project on one of your books. Be sure to bring the book to class with you.
