

K5 Summer Reading List
Canton Academy
2021-2022

Research has shown that the single greatest factor in predicting success is whether or not a child is read to when young. Please choose **at least 4** of these books to read together with your child over the summer. Remember, the library is a great place to visit too!

Students will take AR tests at school on the books they read with a parent. They will have the option of testing on one or all of their AR tests in the summer on Thursday, June 24 from 9:00-12:00 in the CA Lower School AR lab. Otherwise, students will test on their books when we return to school in August.
