

Canton Academy 2021-22 Covid-19 Guidelines

Face Coverings

Face coverings or masks will not be required on campus. They may be worn if they meet dress code requirements.

Covid-19 Positive Test Results

Positive test results of Covid-19 must be reported to Canton Academy Administration upon diagnosis and individuals must begin quarantine. Individuals are released from quarantine and may return to campus activities with a documented date of return by the diagnosing physician. If documentation is not provided, Canton Academy will follow the CDC guidelines for the length of quarantine from the date administration was made aware of positive test results.

Household Tracing Procedures

If a member of a student or faculty member's direct household tests positive, the exposed individual will quarantine and may return to regular campus activities with a negative test result on the third day and must be able to isolate from the individual with a positive test for the duration of the positive person's quarantine. If a negative test result cannot be submitted to Canton Academy after household exposure, the exposed individual will be allowed to return in ten days.

Exposure Procedure

An email will be sent if possible exposure occurs from faculty and students in direct contact with their child. Students can continue all on and off campus activities, but parents are expected to monitor symptoms and contact Canton Academy if symptoms occur.

Prevention of Spread

Canton Academy will continue to exercise cleaning procedures and hand sanitizing stations will be located throughout the school for use.

Social distancing will be encouraged.

Parents are responsible for monitoring their student's temperature before they arrive on campus. Any student with a temperature higher than 100.4 should stay home.

Canton Academy will continue to monitor all local Covid-19 policies and trends.

If a situation arises that is not covered in these guidelines, the Head of School has the authority to review the individual case.

Please note this document is subject to change at any time.
