March 2019  
Driver's Education Course

Dear Parents:

We will be offering an Independent Study Driver's Education Course at Canton Academy this year. It will be taught by Coach J. R. Harris. We will have a Parent/Student meeting on Wednesday, April 3rd at 6:30 in the high school auditorium to give out all Independent Study material for the class.

This material needs to be completed and turned in to the high school office by May 31. Upon completion of Independent study material and passing the permit test, the student will be eligible to drive during June or July. You must have your permit by June 30 to be able to drive.

Please fill out the registration form below and return to the school as soon as possible in order for us to know how many students to prepare for. The cost of the course is \$250.00. Payment is due with application or by the meeting on April 3rd.

Thank you,

Coach J. R. Harris
